SAHF

STEWARDS OF AFFORDABLE HOUSING FOR THE FUTURE

Collaborate. Innovate. Accelerate.

SAHF's mission is to lead policy innovation and advance excellence in the delivery of affordable rental homes that expand opportunity and promote dignity residents.

WHO IS SAHF:

SAHF is a collaborative of thirteen exemplary multi-state nonprofit affordable housing providers.

Members own more than 129,000 rental homes;

Members are committed to long term affordability, sustainability and expansion of housing that makes a difference in people's lives;

Members apply on-the-ground experience to advance policy change;

Members leverage each other's best practices and collaborate with each other and SAHF's affiliate, the National Affordable Housing Trust, on business and mission opportunities.

SAHF focuses on pursuing innovation where the scale of the collaborative can have unique and substantial impact.
