

STEWARDS OF AFFORDABLE HOUSING FOR THE FUTURE

SAHF believes that a quality, affordable home is fundamental in a person's life.

We are a collaborative of 13 nonprofit multi-state affordable housing providers and SAHF's affiliate, the National Affordable Housing Trust, which provides financing solutions. SAHF members own more than 147,500 affordable rental homes nationwide. Drawing on their deep experience, members come together to anticipate the future, increase impact, and challenge one another. SAHF co-creates solutions grounded in business realities and advocates for quality rental housing. We work within our industry and across sectors to disseminate our learnings.
